

## Recommendation Letter

---

To Whom It May Concern,

I am pleased to provide this letter of recommendation for Hung Ngo, who served as a Software Development Intern at Address Income.

During his time with our company, Hung worked closely with our Technical Lead, Anthony Silva, and consistently demonstrated professionalism, reliability, and a strong commitment to his work. He quickly integrated into our team environment and contributed positively to ongoing software development initiatives.

Hung was dependable, punctual, and always maintained a professional attitude. He approached assignments with enthusiasm, was receptive to feedback, and showed a willingness to learn and grow throughout his internship. His ability to collaborate effectively with team members and adapt to new challenges made him a valuable asset to our organization.

We greatly enjoyed having Hung as part of our team and appreciate the contributions he made during his internship. I am confident that he will continue to excel in future academic and professional opportunities.

I highly recommend Hung Ngo and wish him continued success in his future endeavors.

Sincerely,

Emily Tellez
